

PHRASAL VERBS: PARTY!

GO OUT

to leave home and go somewhere, especially to do something enjoyable

For New Year's Eve, let's go out to a club.

DRESS UP

to wear more formal or fancier clothes than you usually wear

The party is at a nice place, so I will dress up.

HANG OUT

to spend time relaxing, usually with friends

Instead of a big party, I'll invite a few friends to hang out at my house.

PICK UP

to meet someone at their home to go somewhere, often in a car

The party is at 8:00, so I'll pick you up at 7:30.

EAT OUT

to eat in a restaurant

It's the holiday season, so I will be eating out a lot.
