

HOTEL CALIFORNIA

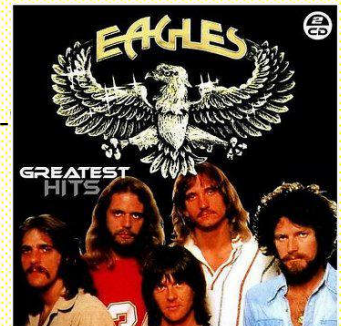

On a dark desert -----, cool wind in my -----
Warm ----- of colitas, rising up through the air
Up ahead in the -----, I saw a shimmering -----
My head grew heavy and my sight grew dim
I had to stop for the -----
There she stood in -----;
I heard the -----
And I was thinking to -----,
"This could be Heaven or this could be Hell"
Then she lit up a candle and she showed me the -----
I thought I heard them say...

Welcome to the Hotel -----
Such a lovely place (Such a lovely place)
Such a -----
Plenty of room at the Hotel California
Any time of year (Any time of year)
You can find it -----

Her mind is Tiffany-twisted, she got the -----
She got a lot of pretty, ----- she calls -----
How they dance in the courtyard, ----- sweat.
Some ----- to remember, some dance to -----
So I called up the Captain,
"Please bring me my -----"
He said, "We haven't had that spirit here since -----
And still those voices are calling from -----,
Wake you up in the middle of the -----
Just to hear them say...

Welcome to -----
Such a lovely place (Such a lovely place)
Such a lovely face
They livin' it up at the Hotel California
What a nice surprise (-----)
Bring your alibis

----- on the ceiling,
The pink champagne on ice
And she said "We are all -----,
of our own device"
And in the master's chambers,
They gathered for the -----
They stab it with their -----,
But they just can't kill the beast

Last thing I remember, I was
Running for -----
I had to find the -----
To the place I was -----
"Relax, " said the night man,
"We are programmed to -----
You can check-out any time you like,
But you can -----! "
